## 客艙輪椅服務

由於各種機型設計有異，均設有輪椅服務數量之上限，為能提供更優質的服務予旅客，故請各大旅行社請於系統訂位後，**務必再與華航聯絡處理輪椅服務**的後續事宜，否則無法安排，對旅客造成影響。

輪椅服務主要分為三類：WCHR、WCHS、WCHC。除了台中線所用的 E90 機型外，其他機型如 744/A330/340/33B/738 均設有客艙輪椅一台，以便要求 WCHC 的旅客在客艙內使用。因配合座椅可移動的扶手，才可以使用客艙輪椅，故祇供經濟艙旅客使用。

敬請留意！

## ONBOARD CABIN AISLE CHAIR

As different aircraft type may have different limitations in wheelchair accommodation. In order to extend our intensive service. All travel agents are suggested to **contact our reservation office for any wheelchair service arrangement** after creation of bookings in your own CRS system. Otherwise, our system will not be able to process and will reject those requests through your CRS automatically.

There are 3 types of wheelchair : WCHR、WCHS、WCHC. There is one “onboard cabin aisle chair” for those passenger request WCHC to use onboard. “onboard cabin aisle chair” is available for all kinds of aircraft 744/A330/340/33B/738 **except for E90. (HKG-RMQ v.v.)** Only aisle seats with movable armrest are suitable for “onboard cabin aisle chair”, therefore this service is only available in Economy Cabin. Thanks for your kind attention!
