

Worldspan Fare Guarantee Policy

Worldspan guarantee fares for Autopriced itineraries ticketed via a Worldspan ticket device when the issuing agent has not altered the Worldspan supplied ticketing data. The Fare Calculation Indicator FCI=9 on the ticket indicates the ticket was Autopriced and Passenger Type code = ADT.

Please provide the following information to helpdesk@tictas.com

- Copy of Airline Debit Memo (ADM)
- Copy of agent's coupon showing autopriced (FCI=9)

Note : ADM caused by the following issues are responsible by the issuing agency

- Commission Discrepancies
- Excessive Discounts
- Invalid Coupon usage
- Invalid Booking Practices
- BSP Reporting Issues
- * Refunds and / or Exchange tickets –
exception – Tickets issued using Worldspan Rapid Reprice
- AD75 Tickets
